ZAPAK ZP90 Series Battery Strapping Tools

The **ZP90 Series** tools by **ZAPAK** are the industry leader in PET/PP strapping applications. Ergonomically engineered to **reduce operator fatigue** and **lightest in their class** of tools by design (only 7.5 lbs with battery). They are also backed by a **3 Year / 250,000 Cycle Warranty** on the motor and ECU.

The ZAPAK tools also feature the optional **TOOL TRACKER**. This GAPCO technology **tracks and records maintenance and work habits** of employees to help protect your tool investment.

GAPCO takes pride in providing **in-house tool repair for all of our clients**. This ensures the fastest possible turn-around times for your tools.

The ZP90 Series Battery Tools are the best battery tools on the market, but don't just take our word for it.

T-Series TRANSFORMER Dispensers

The T-Series **TRANSFORMER** Dispensers are built to withstand the toughest environments. Pneumatic all-terrain tires roll smoothly over virtually any surface for both indoor and outdoor use. **Powder-coated steel** and **built-in drains** ensure they can handle any job no matter the conditions.

TRANSFORMER Dispensers also feature **adjustable strap guides** to prevent **backlash** and ensure a perfect release every time.

Lay our dispensers flat on their back for **quick and easy coil changes**. A **form-fitted cap with speed latch** allows for easy loading and unloading of coils. Our dispensers are designed to help you **work smarter, not harder**.

All dispensers are designed to hold 16x6, 16x3, and 16x1.25 coil sizes with optional spacer to fit 8x8 and 9x8 coil sizes.

XTend SteelBlack Steel Strapping Replacement

GAPCO and Teufelberger present the **XTend SteelBlack AAR 60** steel strapping replacement. This industrial strength polyester strapping **retains the most tension**, has **superior split resistance**, and has the **strongest weld joints**.

Featuring Teufelberger's **patented formula**, the XTend SteelBlack AAR 60 has **unparalleled quality** that remains consistent throughout every coil. Designed to replace steel banding, this polyester strapping works better in numerous industry applications.

XTend SteelBlack AAR60 **pairs perfectly with our ZAPAK Battery Tools** as a safer and more efficient steel banding replacement.

If you're still using steel, you should reevaluate your current strapping supplier. Don't just take our word that Tend SteelBlack AAR 60 is the best on the market. See the advantages of chemistry by putting it to the test.
