

Join Oakwood Controls at I/ITSEC 2016 November 28th – December 2nd, 2016 in Orlando, FL

Oakwood Controls is proud to announce their participation at I/ITSEC (<http://www.iitsec.org>) Visit booth 2810 for the latest live-fire Electronic Target Systems.

The **Interservice/Industry Training, Simulation and Education Conference** (I/ITSEC) is the world's largest modeling, simulation, and training conference. It consists of peer-reviewed paper presentations, tutorials, special events, professional workshops, a commercial exhibit hall, a serious games competition, and STEM events for teachers and secondary students. The event is organized by the National Training and Simulation Association (NTSA), which promotes international and interdisciplinary cooperation within the fields of modeling and simulation (M&S), training, education, analysis, and related disciplines.

Oakwood's President, John Huang will be presenting **"The Latest in American Made Electronic Target Systems for Advanced Marksmanship Training"** at the Innovation Showcase at **1600hrs on Wednesday November 11th**. Don't miss the opportunity to learn about Oakwood Controls and our innovative systems. The Showcase will be located near the rear of the exhibit hall in booth 2949.
