

## **Yu Shan Poised to Launch their Latest Line of Furnishings: The Home Defense Collection**

**AMITYVILLE, New York. (November 1st, 2017)** -- Yu Shan Co. USA, Ltd., an industry leader in home furniture manufacturing for more than 50 years, has announced their latest creation: the concealment collection. Designed to empower homeowners to safely and covertly conceal their most valued possessions while providing all of the benefits of traditional premium Solid Wood and Solid American Hardwood furniture.

The 18 products incorporate secret compartments, completely hidden from the naked eye, across 8 categories with 7 unique concealment designs. Including Bookcases that slide out from behind or from their base; End, Coffee, and Console table models featuring hidden drawers that drop down and out from underneath; Nightstands with sliding tops to reveal their hidden back compartments; as well as upholstery-based hidden compartments of Daybeds and Lounging Chairs.

“We wanted to provide the American consumer that values privacy and home security with an option that offers both a quality product and peace of mind.” said Ming Chiang, Executive Vice President of Yu Shan Co. USA, Ltd. on the topic of the release, “You really can’t find this concept well-executed in the current market, so we’re excited to be able to provide this collection to the people who find comfort in privacy and security while engineering the products the way we believe it should be done.”

The collection (not yet available to the general public) will be debuted this January in Booth #31210 at SHOT Show 2018. The show will be held at the Sands Expo Center in Las Vegas, Nevada. It is expected to be available Spring 2018, with pre-orders available exclusively to SHOT Show attendees.

For over 50 years, Yu Shan Co. USA has helped tens of thousands of American families furnish their homes with ready-to-assemble furniture and stylish accessories. They pride themselves on providing extraordinary value with their 100% solid wood furniture as well as delivering a world-class customer service experience.
