

KRUDO Knives Introduces DRASTIK, a Folder for These Drastic Times!

The time for DRASTIK has come! Our DRASTIK Folder will do you proud with its substantial gladius style blade inspired by 3rd century B.C. Roman swords. An EDC that can stand up to hard use is on everyone's must have list. This knife, with its black frame and blade, accented with blue touches, exudes confidence and culture. DRASTIK is complete with the 5-Ways of Opening system, the ergonomic thumb wedge and substantial coffin style frame. This is a must have for any enthusiast or someone looking for a daily use tool.
