

## RAINE TACTICAL

### Raine Tactical has launched the Bridger™ Panel

Support the Kickstarter at the Link Below:

[www.kickstarter.com/projects/256206016/molle-cover-for-tubestm-cummerbunds-plate-carriers](https://www.kickstarter.com/projects/256206016/molle-cover-for-tubestm-cummerbunds-plate-carriers)

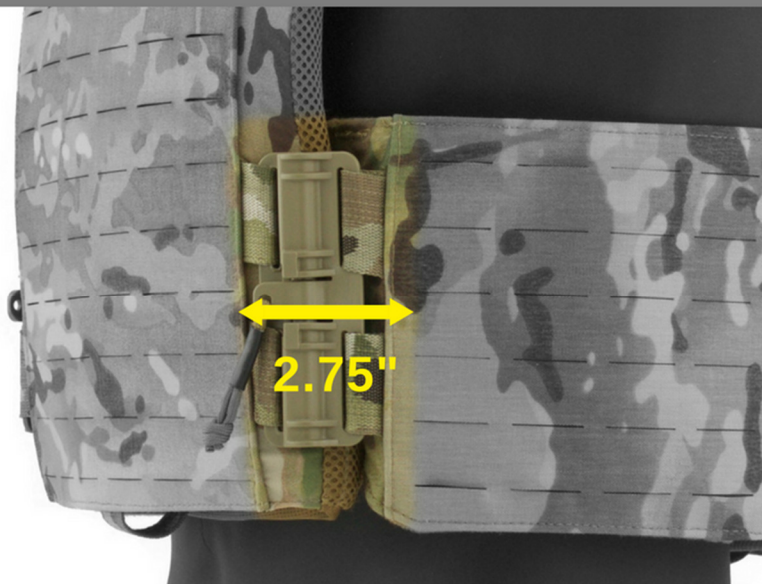

In development and testing for 2 years, the Raine Bridger™ Cover gives you back the MOLLE real-estate lost from using FirstSpear® Tubes™ Cummerbunds on a plate carrier and body armor vest (It Bridges the Gap).

The Bridger™ is compatible with all FirstSpear® platforms, does not interfere with the Tubes™ quick release function, and securely attaches to FirstSpear® Tubes™ cummerbunds like a second skin.

Come see the Bridger™ at Shot Show (Booth # 20132 and Booth #S1440).

## Gap in MOLLE from Tubes™ Buckles on FirstSpear® Cummerbund

**2.5" - 2.75" Gap  
(Width of a 5.56 M4 Mag)**

### **Bridger™ Features:**

- Adds back the MOLLE real-estate lost from using FirstSpear® Tubes™ (Bridges the Gap)
- Smooth quick release function
- Covers and protects FirstSpear® Tubes™ hardware
- Increases service life of Tubes™ hardware
- Increased protection from accidental quick release opening of Tubes™ hardware
- Attachment options compatible with MOLLE, FirstSpear® 6/12™, and 6/9™ platforms.
- Ambidextrous (Can be used on the left or right cummerbund)
- Quick Release Pull Cord Extender for ease of donning and doffing with mounted dual stacked ammo and Radio pouches
- Colors: Coyote Brown, Ranger Green, Black, and Multicam
- LIFETIME WARRANTY
- Made in the USA
- Patent Pending

### **SHOT**

Come see samples at SHOT Show, we have two booth locations.

### **Show**

### **Schedule:**

- Shot Show Main Floor, Booth # 20132 (Tues - Fri)
- Shot Show Supplier Show Case, Booth # S1440 (Mon - Tues)

Raine is currently looking for dealers and distributors for the Bridger™.

We are also looking for companies that would be interested in partnering with Raine to integrate our Patent Pending Bridger™ designs into their product lines, and have us sew their products at Raine's factory.

Email us at [shotshow@raineinc.com](mailto:shotshow@raineinc.com) to schedule a meeting.

You can find out more at the Kickstarter campaign page:

[www.kickstarter.com/projects/256206016/molle-cover-for-tubestm-cummerbunds-plate-carriers](https://www.kickstarter.com/projects/256206016/molle-cover-for-tubestm-cummerbunds-plate-carriers)

Message Raine Inc. through Kickstarter and mention ITS. They will include an extra patch with your reward.

**Disclaimer:**

The Strandhögg plate carrier pictured in this press release is made by FirstSpear, LLC and the Bridger™ Cover is made by Raine, Inc. FirstSpear®, Tubes™, 6/12™ and 6/9™ are trademarks of FirstSpear, LLC. Products shown with these trademarks are built with FirstSpear Technology™.

**Raine Bridger™ Cummerbund Preview COMING SOON**

Raine is developing a cummerbund that integrates everything we have accomplished with the Bridger™ Cover from our Kickstarter. Link: <https://www.kickstarter.com/projects/256206016/molle-cover-for-tubestm-cummerbunds-plate-carriers>

We are currently looking for companies that would be interested in partnering with Raine to integrate our Patent Pending Bridger™ designs into their product lines, and have us sew products at Raine's factory.

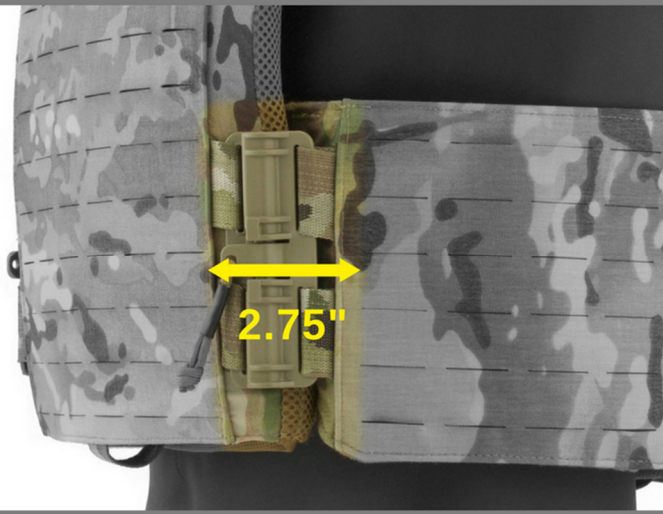

Come see the Bridger™ Cummerbund at Shot Show (Booth # 20132 and Booth #S1440).

The Raine Bridger™ Cummerbund gives you back the MOLLE real-estate lost from using FirstSpear® Tubes™ quick release hardware on a plate carrier and body armor vest (Bridges the Gap).

The Raine Bridger™ Cummerbund is compatible with all FirstSpear® platforms, does not interfere with the Tubes™ quick release function, and securely attaches to FirstSpear® Vests and Plate Carriers.
