About Torrent™ Suppressors We are an American family owned business located in Texas, USA. We have served the shooting sports and firearm industry since 2011. All the Torrent™ products are manufactured in-house at our production facility in Texas. We utilize the most current, state-of-the-art equipment and machinery for our high quality reliable suppressor systems. Our equipment is computer controlled and rivals all the top brands, our engineers are some of the best in the business. We have a carefully designed testing program to ensure that we consistently offer the standard of quality that our clients have grown to rely on. Torrent™ Suppressors are developed from the U.S. SOCOM standards of testing, but have been pushed far beyond SOCOM breaking points. Torrent™ has a testing program including shooting and test firing all products on a routine basis to ensure that the customer receive the most consistent, best quality products available. All Torrent™ products carry a 100% Satisfaction 30-day money back guarantee as well as Manufacturer Defect Lifetime Warranty. Customer satisfaction is the utmost priority, striving to create "life-long" returning customers, not just a sale. From one AMERICAN family to another – Torrent™ would like to thank everyone for the opportunity to serve their shooting, hunting, and defense needs. Please keep and protect our American firearms heritage and culture by being SAFE and RESPONSIBLE.
